Captain Tucker of the Chicora reports the sinking of another federal guadwat and the disabling of the Quaker City. The latter was set on tire by the Chicora, and handed doen her dag to surrender but afterwards managed to e-cape using only one wheel. She was very seriously damaged. The number of the blockading ficel outside at the time of the attack was thirteen with 2 first class frigates the Susquehauna and Canaudigna. The federal loss was very serere. It was a complete success on our (rebel) part with not a man limit. Our (rebel) gunbouts were not even struck. CHARLESTON, Jan. 31. Our gunboate Palmetto State and Chicora have reached the wharves. They were enthusiastically cheered by an immense concourse of , citizens who had assembled to greet them. Salutes were fired from the forts and batteries. . Not a man was bort on our side and our gunboots were not struck by the enemy. Our attack on the fleet was a complete surprise to the Blockaders, each one running away without caring for the other. It is supposed that nearly all of the crow of the Merideta perished. The Palmetto Sinte which engaged the Merideta having no boats and fighting at the time could remier her no assistance. The Quaker City was struck twice and one of her side

wheels almost torn off. CHARLESTON, Feb. 1. Ceneral Beauregard and Commodore Ingraham as communders of the bind and gaval forces have issued a joint proclymation dated Jan. 31st declarng the blockade of Charleston raised—the entire hostile squadron having been sunk burned or dispersed by the superior naval forces of the confederacy. Yesterday alternoon Gen. Beauregard placed a steamer at the disposal of the Foreign Consulate see for themselves that to blockade existed. The French and Spanish Consuls accompanied by Gen. The British Consul with the Commander of the British war steamer Petrol had previously gone five miles beyond the usual unchorage of the blockaders and could see nothing of them with glasses. Late in the evening four blockaders re-appeared keeping far out. This evening a large number of blackeders are in sight but keep steam up evidently ready CHARLESTON, Feb. 1.
